WELCOME TO INTERSTATE SPECIAL EVENTS

“PORTLAND’S PREMIER PARTY RENTAL CENTER”

Interstate Special Events – History

Our first rental store was a converted ice-cream parlor consisting of a small 1000 square foot building. As our business experienced growth and success, other adjoining properties were purchased and new facilities were built. Between 1953 and 1983 the building mainly consisted of renting general equipment to homeowners and contractors. In 1983 the Special Events division was established and in 1993, a canopy company was purchased allowing Interstate Special Events to further expand it’s ability to meet our customer’s needs. Throughout the years we have grown in inventory, experience and expertise. Interstate Special Events has a professional, friendly staff.

Interstate Special Events strives to be a leader in the rental industry. Our priority is to provide superior customer service. Whether you’re planning an intimate affair or a large corporate event, each customer gets the same individual attention. Customer satisfaction is our goal.

Our Special Events Representatives are eager to assist with your event needs.

Please call us today for more information or visit us on the web at: www.ISEvents.com
